

REMARKS

Claims 1-26 are pending in this application. No new matter is entered.

According to the Office Action dated November 19, 2009, claims 1-26 are subject to restriction under 35 U.S.C. §121 as follows:

Group I: claims 1-11, drawn to a hand held massaging device in the form of a main body tool comprising a hand grip with a plurality of finger rings.

Group II: claims 12-20, drawn to a hand held massage tool in the form of a foot tool set comprising a hammer and spatula as interactive implements.

Group III: claims 21-26, drawn to a hand held massage tool in the form of a facial tool comprising an arrowhead point, concave u-bend elements and a rounded crescent-shaped bottom.

Applicant hereby elects to prosecute the subject matter of Group I, claims 1-11, for continued examination.

Claims 11-26 have accordingly been withdrawn without prejudice from consideration. Applicant does not concede that any of these claims are unpatentable, and applicant reserves the right to file one or more continuation or divisional patent applications to the unelected claims.

Upon entry of these amendments, claims 1-11 will remain pending. Applicant requests the Examiner to examine these claims at her earliest convenience.

If the Examiner has any questions, the Examiner is invited to contact the undersigned attorney at (617) 526-6110.

A two-month extension of time and fee is due with this response. Please charge our Deposit Account No. 08-0219, under Order No. 2001855.00120US1 from which the undersigned is authorized to draw.

Respectfully submitted,

Dated: February 18, 2010
